

VITRA

EVOLUTION OF BLOCKCHAIN

IMPORTANT NOTICE

Vitra Studios will only collect, in the Angel phase, the basic information from users during the registration process, which includes:

- Username
- Wallet address

Vitra will not share user information with third parties except as necessary for transaction processing or as required by law.

Vitra uses technical and organizational security measures to protect users' information from loss, theft, unauthorized use, alteration, or disclosure. Some of the protective measures taken by the project include:

- Encryption of data in transit
- Storage of information on secure servers
- Restricting access to information by authorized personnel
- Regular monitoring of security systems

Users are responsible for maintaining the security of their digital wallets and access passwords. Vitra is not responsible for loss, theft or unauthorized use of digital wallets or access passwords.
