VITRA TERMS

These ("Terms") govern your use of Vitra ("Currency") and its related services. By using the Currency, you agree to comply with these Terms and all applicable laws and regulations.

Use of the Vitra Token

The Vitra Studios Token - VITRA is a decentralized Crypto game that allows you to securely transact and make purchases on its NFT Marketplace. By using the Token, you acknowledge that:

- It is not a fiat currency and is not backed by any government or financial institution.

- The value of the Token may fluctuate and there is no guarantee that the value will remain stable.

- Transactions may be irreversible and there is no guarantee that transactions will be completed successfully, due to bugs, network fluctuations, and other factors.

By using the Token, you agree to:

- Do not use it for illegal purposes, such as money laundering or terrorist financing.

- Do not use it for fraudulent or deceptive purposes.

- Comply with all applicable laws and regulations.

Vitra reserves the right to notify local authorities of suspected violations of these Terms or applicable laws and regulations, as well as in cases of money laundering, terrorist financing or any other means that are not in accordance with applicable laws.

Risks and Disclaimers

The use of the Token involves risks. By using it, you acknowledge that:

- It can be lost or stolen if the digital wallet is not properly secured.

- Can be hacked or compromised by malicious third parties.

- Its value can fluctuate drastically due to market volatility.

Vitra is not responsible for loss, theft, or unauthorized use of the VITRA Token. VitrA does not guarantee the stability of the value of the Currency and is not responsible for financial loss or damage resulting from its use.

Changes to the Terms

Vitra Studios may update these Terms at any time without notice.
